13 Hands Equine Rescue, Inc., is a Not-for-Profit Organization that seeks out horses in need of much care. We provide a safe environment for our horses to heal, develop, and live their lives without fear of people. Adoption fees are put back into our program in order to support our efforts in rescuing future horses. Each adoption fee is based on how much care and treatment went into rescuing that specific horse. These fees are also based on things such as, if the horse is trained to ride, registration, temperament, and the horse's age. When the adopter is approved and has agreed to adopt said horse(s), all adoption fees are due and must be paid.

Adopting a rescue horse is a commitment that one would be making for the remainder of their life. When treated properly horses typically live to be 35 years of age or even older. Please keep in mind that we want each of our rescued horses to find a loving home in which they are properly cared for.

We greatly appreciate your interest in our rescue and Adoption Program. Please fill out all attached paper work and return it as soon as possible. Our adoptions are based on a first come, first served basis, depending on the application requirements being met. Upon completion of the application and contract, we will contact you to inform you if your application has been approved. We will provide you with a list of the horses available for adoption. Your application will remain on file with us until you have chosen a horse to adopt.

Thank you,

13 Hands Equine Rescue Inc.
